

COVER LETTER USB

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Erfurt, 2016-06-06

Gentlemen:

We the undersigned, hereby confirm for the verification according to 47 CFR Part 15B (class A) of the products **PENsolid HF** and **PENsolid UHFcc** that we are performing the measurements and comply the limit values before we bring these products to the U.S. market.

The USB interface and the intentional radiator of these both products cannot be active at the same time.

Sincerely,

Peter Peitsch
Technical Director
